DETAILS OF DAMAGE

This document identified the names of Office of Personnel Personnel Officers (all "open" employees at the time) and the names of people contacted in other U.S. Government agencies in the course of routine exchange of information on certain aspects of personnel management and administration systems.

While all Agency personnel listed on the document were "open" at the time of the report the future assignments of some of the identified individuals may require cover and protection of their identity with the Agency.

Action taken or planned:

No action indicated.
